PixelKrafts

About Us

PixelKrafts is a software solutions agency founded by Shuja Ur Rahman and Syed Faizan Jeelani, blending expertise in development, design, and digital marketing to deliver powerful, scalable digital solutions. We focus on clean, maintainable code, user-centered design, and strategic consulting to help businesses grow through high-performing, beautifully crafted digital products.

Beautifully designed. Expertly developed. Solutions that drive results and scale with you.

PixelKrafts

Services Overview

Web Development

We build fast, responsive, and scalable websites tailored to your business goals. Clean code meets stunning design for seamless user experiences.

App Development

We create sleek, high-performance mobile apps for iOS and Android, combining intuitive design with robust functionality to engage users.

SEO

We optimize your website to rank higher, attract quality traffic, and boost conversions with proven SEO strategies.

Social Media Management

We manage your social media to grow your audience, boost engagement, and drive results with strategic, creative content.

Graphic Designing

We create visually striking designs that captivate audiences and elevate your brand across all platforms.

PixelKrafts

We developed a dynamic, user-friendly web platform for PowerTrack, integrating real-time tracking, management features, and secure online payment solutions. Our approach ensures seamless navigation, performance optimization, and responsive design across all devices. With a focus on user experience, we delivered a powerful tool that streamlines operations, enhances customer engagement, and simplifies transactions.

#1

The image shows two side-by-side mobile phone screens. Both screens display a dark-themed web page for 'PowerTrack By The Sixty One Dubai'. The top screen shows a large product image of a cylindrical device with a track, followed by a heading 'Presenting PowerTrack By The Sixty One Dubai' and a subtext '- For everyone, everywhere'. Below this are three product cards: 'Eubiq Innovating healthcare solutions.', 'Saga Your story, redefined.', and 'Gler Excellence in every detail. Discover the synergy of design and power.' At the bottom, there are three buttons labeled 'POWER TRACK', 'eubiq Healthcare & Lighting', and 'Gler'. The price 'Rs 50,000' is shown next to the first button, and 'Rs 78,000' and 'Rs 72,000' are shown next to the other two. The word 'easy to install' is written vertically on the right side of the top screen. The bottom screen shows a similar layout but with a blue dot highlighting the 'POWER TRACK' button. At the very bottom of the bottom screen, there are social media sharing icons (Facebook, Twitter, LinkedIn) and a URL 'powertrack.online'.

PixelKrafts

We developed the Eubiq India website using Next.js and TypeScript, delivering a fast, responsive, and SEO-friendly platform. The site features clean design, detailed product pages, and optimized content to showcase their innovative healthcare solutions. We also integrated contact forms and social media links to enhance user engagement and brand connectivity.

#2

The image displays a large smartphone screen showing the Eubiq India website. The website has a white header with the eubiq logo and 'India private limited'. The main hero section features a large banner with the text 'Empowering Healthcare with Excellence'. Below the banner is a video thumbnail with a 'WATCH VIDEO' button. The top navigation bar includes links for About, Bed Head Panels, Projects, and Power Track. A smaller inset shows a mobile phone displaying the website's product page for 'Recess Bed Head Panels'.

PixelKrafts

We designed and developed a seamless e-commerce platform for BabenBlush, combining elegant visuals with user-friendly navigation. From product showcasing to secure checkout, every element was optimized for a smooth shopping experience. Our work focused on creating a stylish, responsive website that enhances customer engagement and drives sales.

#3

The image displays the BabenBlush e-commerce platform. On the left, a large smartphone screen shows the desktop version of the website. The header includes links for Privacy Policy, Terms & Conditions, Help, and FAQs. The main navigation bar features the brand name "Babe n Blush" with a small logo, a search bar with placeholder text "Search for Beaded J" and a magnifying glass icon, and a phone number "+91". Below the header is a brown navigation bar with "Categories", "Home", "Popular Collections", "New Arrivals", and "Contact Us". A main banner for "Bracelets" features a hand bracelet made of white and teal beads, set against a wooden background with green foliage. Below the banner are four category cards: "Combo Products" (with an image of makeup), "Beaded Jewellery" (with an image of a hand wearing a bracelet), "Skin Care" (with an image of a skincare product), and "Makeup" (with an image of makeup products). On the right, a smaller inset shows the mobile version of the same website, which has a similar layout with a brown header and a "Shop Now" button for the bracelets.

AMUPapers.live is a platform that provides easy access to previous year question papers for Aligarh Muslim University (AMU) students.

It helps students prepare effectively by offering a well-organized collection of past exam papers for review and practice.

#4

The image shows a large smartphone displaying the AmuPapers website homepage and a smaller smartphone showing the mobile version of the same site. The website features a dark header with the logo "AmuPapers" and navigation links for Home, About, Contact, and Search. Below the header is a section titled "ENHANCING LEARNING EXPERIENCE" with the heading "Academic Excellence Unveiled". A descriptive paragraph encourages users to register for exclusive benefits like bookmarking and searching. A red "Register Now →" button is visible. The mobile version of the site follows a similar layout, with the "AmuPapers" logo at the top, the "ENHANCING LEARNING EXPERIENCE" section, the "Academic Excellence Unveiled" heading, and a "Popular Papers" section. Both devices have a black border and are set against a white background.
